**International Delivery of the Uniform CPA Examination**

The California Board of Accountancy (CBA) will continue discussions on international delivery of the Uniform Certified Public Accountant (CPA) Examination (referred to as iExam) at its upcoming meeting in May 2011. The CBA has not taken a position on whether California will participate in iExam.

At present, no examinations are being offered internationally. The National Association of State Boards of Accountancy (NASBA) has indicated that the Uniform CPA Examination will not be available at international examination sites until August 2011.
